

# EMERGE as a lifelong learner at Mithian School

# From the beginning ...

- **Growth Mind Set** was launched a few years ago with parents and children by staff and **Andy Brumby**.
- **Characters**  
**Lift Off and Crash Landing.**

## Fixed mindset

## Growth mindset

Intelligence is fixed  
"I must look clever!"

Intelligence is expandable  
"I want to learn more."

Emphasis is on ability  
and competition

Emphasis is on achievement  
and growth

Avoids challenges

Embraces challenges

Learning is finite  
"I can..."

Learning is a continuum  
"I am learning to..."

Likely to plateau early  
and achieve less than  
full potential

Reaches ever higher levels of  
achievement

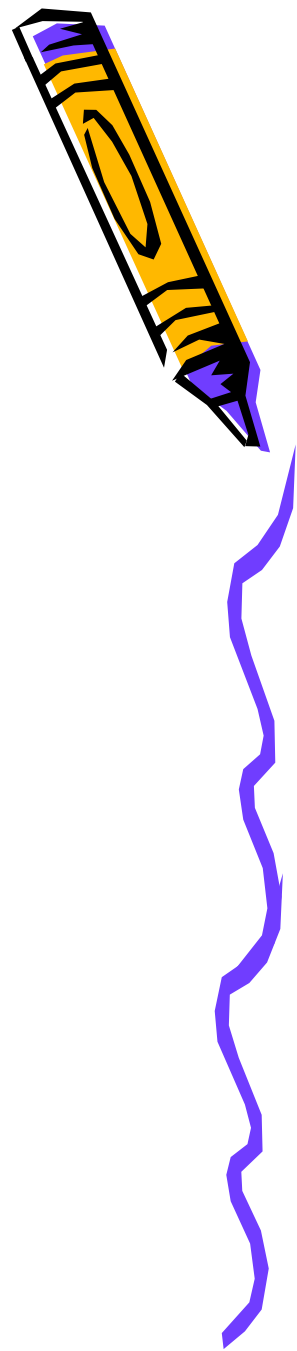

- **Andy Brumby** led a parent session last January about **Feedback and Praise**.
